Q8 — Support Multi-Year Funding & Longer-Term Partnerships (Yes/No + Why)	No — I believe it is very important that the services are reviewed every year to determine their sustainability.
Q9 — Ensuring Nonprofits Are Included in Decision-Making	By setting up an advisory table etc. to speak on behalf of the nonprofits this will ensure they voices are heard and understood when it comes to to community wellbeing, economic growth and city planning.
Q10 — The City's Role in Supporting Nonprofit Infrastructure	I would look at finding more available spaces so the nonprofit organizations will be able expand as needs continue to grow. Unfortunately it will take time for the needs to decrease so in the meantime we have to adjust to what our community requires.
Q11 — The Nonprofit Sector's Role & What Success Looks Like	The nonprofit sector will be a great collaborator in London's future growth. Success in my opinion would mean less homelessness and more affordable housing. Also reducing the strain on our already overwhelmed food banks and shelters.
